

## **Resorts World Genting Crowned ‘Malaysia’s Leading Resort’ for the Fifth Time at World Travel Awards**

**Genting Highlands, 10 October 2024** – Resorts World Genting (RWG) has once again reinforced its position as one of Asia’s top travel destinations by winning the prestigious title of Malaysia’s Leading Resort at the World Travel Awards 2024. This marks the third consecutive year and the fifth time RWG has received this esteemed honor, making it the most awarded resort in Malaysia!

The World Travel Awards, established in 1993, widely regarded as the ultimate hallmark of excellence within the global travel and tourism industry, recognizes leaders across various sectors who demonstrate the highest standards in their respective fields. The voting process is online, and votes come from qualified executives working within travel and tourism and the consumer travel buyer.

In addition to this accolade, RWG continues to innovate and expand its offerings. Among the recent enhancements is the reopening of the Genting Gohtong Jaya Cable Car (formerly known as Genting SkyWay), providing guests an additional scenic option to reach the resort. Genting SkyWorlds Theme Park has also rolled out its much-anticipated annual pass at an introductory price of RM280, valid for visit from 15 October 2024 to 31 December 2025, allowing guests ample time to enjoy every corner of the park.

Spencer Lee, Executive Vice President of Sales, Marketing and Public Relations of Resorts World Genting, expressed his gratitude for the honor, “We are incredibly proud to be recognized as Malaysia’s Leading Resort for the third consecutive year at the World Travel Awards as this recognition fuels our passion to continuously evolve. At RWG, we strive not to just meet expectations, but to exceed them, creating unforgettable experiences for our guests that last long after their visit. This award reaffirms our commitment to staying forefront of hospitality innovation, delivering world-class experiences that place us among the best in the global travel industry.”

Looking ahead, RWG has ambitious plans to further enhance the guest experience, with several exciting new projects in the pipeline. The resort is also committed to sustainability and ecotourism, ensuring that every development aligns with its mission of responsible tourism. A highlight of this initiative is the inaugural Genting Sustainbiz F&B Expo, held in September 2024, where RWG signed five MoUs with leading partners, valued at RM12 million. This initiative not only enhances guest experiences but also helps preserve the stunning highland environment that draws millions of visitors each year.

We extend our heartfelt thanks to our guests for their continued support, helping us to achieve this honor for the fifth time. Thank you for making us the best in what we do.
